Comments on the PMPD

The purpose of the Committee Conference is to consider oral and written comments on the PMPD from the parties, governmental agencies, and members of the public.

The parties in this case shall file and serve their written comments on the PMPD to the Proof of Service list and via e-mail **no later than 3 p.m. on July 11, 2011**. This will facilitate an informed discussion of the comments, especially proposed changes to the Conditions of Certification, during the July 14, 2011, Committee Conference. The parties may supplement their comments or respond to others' comments up to the close of the 30-day review period. **Parties shall e-mail their comments to the other parties listed on the current Proof of Service list and mail copies to those whose e-mail addresses are not provided on the POS list.**

Members of the public and governmental agency representatives are encouraged to submit their comments by e-mail **or US Mail¹** prior to the July 14, 2011 Committee Conference. It is helpful to see significant comments, especially those proposing changes to the Conditions of Certification, prior to the Conference so that the Committee and parties can be prepared to discuss and understand the proposals at the Conference and attempt to resolve any conflicts or inconsistencies. To facilitate those discussions please submit comments on or before **3 p.m. on July 11, 2011**.

Please include your name or organization's name in the subject portion of your e-mail and in the name of the file attached to your e-mail. File attachments should be in either Microsoft Word or Portable Document File (.pdf) formats. Send e-mails to **[docket@energy.state.ca.us]**. Send mailed comments to Energy Commission Docket Unit, 1516 Ninth Street, MS-4, Sacramento, CA 95814. Identify all comments with **"Docket No. 08-AFC-9."** **Governmental agencies and members of the public are encouraged, but not required, to e-mail their comments to the other parties listed on the current Proof of Service list and mail copies to those whose e-mail addresses are not provided on the POS list.**

In order to assure that comments are considered, all comments must be received by the Docket Unit by 3:00 p.m. on July 18, 2011, and mailed comments must be physically delivered on or before that time (postmarks do not count).

Following the end of the public comment period, the Committee, if appropriate, will prepare an Errata to the PMPD describing changes to the PMPD recommended by the Committee after its consideration of comments from the parties and the public.

¹ To the extent that the Commission's regulations (Title 20, California Code of Regulations, sections 1209 – 1210) would otherwise require that an e-mailed comment be accompanied by a physical copy of the comment, that requirement is hereby waived under Subsection 1209(c). An e-mailed comment is sufficient by itself.

III. NOTICE OF COMMISSION HEARING

PLEASE TAKE NOTICE the full Commission will consider the PMPD, released on June 16, 2011, on:

Wednesday, July 27, 2011
Beginning at 10 a.m.

**California Energy Commission
Hearing Room A
1516 Ninth Street
Sacramento, California 95814**

The purpose of this hearing is to consider whether the Energy Commission should adopt, modify, or reject the PMPD and Errata. Parties and members of the public may participate and offer oral and written comments on the PMPD. Identify all comments with “**Docket No. 08-AFC-9.**”

If the PMPD and Errata are adopted, the Commission will subsequently compile a single document combining the Errata, the PMPD, and any other changes made at the Commission Hearing, for the convenience of the parties and the public. The Decision will become effective when filed with Energy Commission Docket Unit.
